

Hawaiian Paradise Park Paths Committee Minutes- 4/15/14

The committee meeting started at 6:10 PM in the HPPOA Library

Committee members present: John Seastrom, Dean Silber, and Verne Presnall.

- Review of March's Minutes: Minutes for the 3/18/14 meeting were approved as read.
- Report on PATHS Hawaii Facilities Meeting - March: Dean S. reported that the committee suggested several sources of volunteers we should look into for our trails/path's projects in HPP... local Boy Scout Troops (John S., "Eagle Scout candidates are required to do a community service project."), and, local schools - some have "senior projects."
- Progress Report on HPP Trail Work: We began work on the written plan for the "HPP Hui Recreational Project;" the plan is divided into three sections. One section is on the description of the two trails, the second section is on maintenance of the two trails, and the last section, the facilities that will make up the Hui recreational project (such as picnic tables, signs, par course stations, playground equipment, etc.).

John S. will also ask the HPPOA Board (at 4/16/14 meeting) to look into purchasing a tree chipper for HPPOA use; it could be used for disposing of green waste, albezia tree removals, road maintenance projects, and... we could use all the chips for present and future trails/paths in HPP.

- Next Directions for HPPOA PATHS committee: Historic trails on 17th/18th Street's "dead end" Hui property, Kaloli Dr. restriping for a downhill biking /pedestrian lane (Puna-side lane); possibility of compacted road base gravel on both sides of Paradise Dr. shoulders...
